

## Up in the Sky

Oasis

Hey you! Up in the sky  
Learning to fly  
Tell me how high  
Do you think you'll go  
Before you start falling  
Hey you! Up in a tree  
You wanna be me  
But that couldn't be  
Cos the people here they don't hear you calling  
How does it feel  
When you're inside me?

Hey you! wearing the crown  
Making no sound  
I heard you feel down  
Well that's too bad  
Welcome to my world  
Hey you! Stealing the light  
I heard that the shine's  
Gone out of your life.  
Well that's just too bad  
Welcome to my world

You'll need assistance with the things that you have never ever seen  
It's just a case of never breathing out  
Before you've breathed it in  
How does it feel  
When you're inside me?

Hey you! Up in the sky  
Learning to fly  
Tell me how high Do you think you'll go  
Before you start falling  
Hey you! Up in a tree  
You wanna be me  
But that couldn't be  
Cos the people here they don't hear you calling  
How does it feel  
When you're inside me?

You'll need assistance with the things that you have never ever seen  
It's just a case of never breathing out  
Before you've breathed it in  
How does it feel  
When you're inside me?
