

Cause of Death

Obituary

With the dying

Rot in hell religious one
[Cold fate] the chosen son
Find the darkness kill the day
You said you'd never cease saying

We're the cause of death

Find the one kill the need
You're the one to make him bleed
Find the darkness little one

We're the cause of death

Rot in hell religious one
[Cold fate] the chosen son
Find the darkness kill the day
You said you'd never cease saying

With the darkness we arise
Your hell is denied
The powers below
Reality's here

With the darkness we arise
Your hell is denied
The powers below
Reality's here
