

## Cause of Death

## Obituary

With the dying

Rot in hell religious one  
[Cold fate] the chosen son  
Find the darkness kill the day  
You said you'd never cease saying

We're the cause of death

Find the one kill the need  
You're the one to make him bleed  
Find the darkness little one

We're the cause of death

Rot in hell religious one  
[Cold fate] the chosen son  
Find the darkness kill the day  
You said you'd never cease saying

With the darkness we arise  
Your hell is denied  
The powers below  
Reality's here

With the darkness we arise  
Your hell is denied  
The powers below  
Reality's here
