

Can't Get Back to the Baseline

Ocean Colour Scene

I want more than me and you
The more I want the more it scares me
I will put my faith in you
Won't you be my missionary?
I can't
Can't get back to the baseline
Had too much of waiting up
Had too much of things I tell you
It's the only way and it's love
Fill my cup, oh, I've said too much
I can't
Can't get back to the baseline
Oh, I can't
Can't get back to the baseline
I've been on freight train buzz
So I'm trying to tell you
The only thing I need is your love
But I can't
Oh I can't, oh I can't, I can't
I can't get back to the baseline
It's the way of feeling good
It is all that's necessary
I guess that it's from above
I'm no fool but I guess too much
And I can't
Can't get back to the baseline
Oh, I can't
Can't get back to the baseline
I've been on freight train buzz
So I'm trying to tell you
The only thing I need is your love
But I can't
Oh I can't, oh I can't, I can't
I can't get back to the baseline
Fare you well and I will choose
When I find it I will tell you
I belong to the same as you
Won't you be my missionary?
I can't
Can't get back to the baseline
Oh, I can't
Can't get back to the baseline
