

Chelsea Walk

Ocean Colour Scene

I went down to Chelsea Walk
Where the sun doesn't shine at all
And I went looking for something for me
But I came back with nothing at all
Except an old man who could not see
But he said that he knew God
In Chelsea Walk
On Chelsea Walk

Now I've been down to Chelsea Walk
Where the sun just refuses to shine
And I ran back to my little room
And I jumped straight into a bottle of wine
You know I'll be alright for just a day
But tomorrow I must wake
In Chelsea Walk
On Chelsea Walk

Old man I must be on my way
Don't you worry I'm just scared for those who pray
In Chelsea Walk
On Chelsea Walk
