

I Told You So

Ocean Colour Scene

Oh when she talks everyone listens
She casts a spell, she's a magician
She says she's a saint but I just don't know
Oh I told you so, Oh I told you so

She walks in a line and everyone follows
A promise so fine but just for tomorrow
She says that's ok but I just don't know
Oh I told you so, Oh I told you so

Yes I told you, I told you
I told you, I told you so
Yes I told you, I told you
I told you, I told you so

When she gets home and nobody follows
Alone in her shell she dreams of tomorrow
She says she's ok but I just don't know
Oh I told you so, Oh I told you so

Yes I told you, I told you
I told you, I told you so
Yes I told you, I told you
I told you, I told you so

Oh when she talks everyone listens
She casts a spell, she's a magician
She says she's a saint but I just don't know
Oh I told you so, Oh I told you so
Oh I told you so, oh I told you so
