

## If God Made Everyone

Ocean Colour Scene

If God made everyone  
Then he didn't make you  
The things that you do  
Value come at to knows who  
It's in everyone  
But it's not in you  
Love the children dearly  
Love the mothers too  
Love the children dearly

Love the mothers too  
If God made everyone  
Who in the hell made you  
Who in the hell made you  
If God made everyone  
Then he didn't make you  
The things that you do  
Value come at to knows who  
It's in everyone  
But it's not in you  
Love the children dearly  
Love the mothers too

Love the children dearly  
Love the mothers too  
If God made everyone  
Who in the hell made you  
Who in the hell made you  
And there's no one will be watching your parade  
And there's no one will be watching your parade

Love the children dearly  
Love the mothers too  
If God made everyone  
Who in the hell made you  
Who in the hell made you
