

Magic Carpet Days

Ocean Colour Scene

Can't hold on to one thought.
Long enough to take you and me away.
Magic carpet day.

I can't hold on for too long.
Keepin' all my memories at bay.
Magic carpet day.

Hold on for dear life!
The world is small from this height.
Careening through our... magic carpet day.

The world wont shake you,
Knock you down and break you.
Steering through these... magic carpet days.

Magic carpet days.
Magic carpet days.
Magic carpet days.

Can't back off and be quiet,
But I never leave you standin' in the rain.
Magic carpet day.

My arms will always hold you,
And lay you tired to rest for a brand new day.
Magic carpet day.

Hold on for dear life!
The world is small from this height.
Careening through our... magic carpet day.

The world wont shake you,
Knock you down and break you.
Steering through these... magic carpet days.

Magic carpet days.

Magic carpet days.

Magic carpet days. (cant hold on for too long)
