

Oh Collector

Ocean Colour Scene

Oh collector I'm so sorry
You had the notion that I was rolling
In the money no I'm sorry
But I'll pay you
No Worry

Let's Sing Softly
Let's Sing Softly
Oh so softly
Not so heavy

I've been heavy with my fortune
Like a crystal and a hammer
I'm so sorry Oh collector
I'm away now in a hurry

Let's Sing Softly
Let's Sing Softly
Oh so softly
Not so heavy

Get up all you fighters
Don't you lie here now
Oh collector you had it coming
It was that funny we were rolling
Oh collector we're so sorry
And we'll pay you
No Worry

(3x):
Let's Sing Softly
Let's Sing Softly
Oh so softly
Not so heavy
