## **Oh Collector**

## **Ocean Colour Scene**

Oh collector I'm so sorry You had the notion that I was rolling In the money no I'm sorry But I'll pay you No Worry Let's Sing Softly Let's Sing Softly Oh so softly Not so heavy I've been heavy with my fortune Like a crystal and a hammer I'm so sorry Oh collector I'm away now in a hurry Let's Sing Softly Let's Sing Softly Oh so softly Not so heavy Get up all you fighters Don't you lie here now Oh collector you had it coming It was that funny we were rolling Oh collector we're so sorry And we'll pay you No Worry (3x): Let's Sing Softly Let's Sing Softly Oh so softly Not so heavy
