

On The Way Home

Ocean Colour Scene

When the dream came I held my breath with my eyes closed
I went insane like a smoke-ring day when the wind blows
Now I won't be back 'till later on, if I do come back at all
But you know me, and I miss you now

Doo, doo, doo, doo, doo, doo

In a strange game I saw myself as you knew me
When the change came and you had a chance to see through me
Well the other side is just the same
You can't tell my dream is real
Because I love you
Can you see me now

Doo, doo, doo, doo, doo, doo

Though we rush ahead to save our time
We are only what we feel
And I love you
Can you feel it now, yeah

Doo, doo, doo, doo, doo, doo
