

One of Those Days

Ocean Colour Scene

And it looks like one of those days
When my valentine ain't so funny, yeah
Ain't so funny, yeah
And it looks like one of those days
When I'm holding the same old conversation
Losing concentration
And it looks like one of those days
When my valentine ain't so funny, yeah
Ain't so funny, yeah
And it looks like one of those days
When I'm holding the same old conversation
And it looks like one of those days
When I'm losing all my concentration
And it looks like one of those days
When my valentine ain't so funny, yeah
Ain't so funny, yeah
And it looks like one of those days
When I'm holding the same old conversation
And it looks like one of those days
When I'm losing all my concentration
