

Sail on My Boat

Ocean Colour Scene

I'm in my field
I'm in my stream
And I'm love
I'm in my tree

I take a walk
Nine hundred miles
I cross the stile
I'm in my field

And I'm in love
And it's for free
I'm in my field
I'm in my field

I'm in my field
I'm in my stream
And I will yield
I'm in my field

And I'm in love
Across the stile
Come in my field
Just you and me

We'll take a walk
Nine hundred miles
And I'm in love
We'll count the stars

I'm in my field
I'm in my stream
Well I'm in love
Just you and me

I'm in my field
I'm in my stream
Well I'm in love
I'm in my tree

I take a walk
Nine hundred miles
I cross the stile
I'm in my field
