Sail on My Boat

Ocean Colour Scene

I'm in my field
I'm in my stream
And I'm love
I'm in my tree

I take a walk
Nine hundred miles
I cross the stile
I'm in my field

And I'm in love
And it's for free
I'm in my field
I'm in my field

I'm in my field
I'm in my stream
And I will yield
I'm in my field

And I'm in love Across the stile Come in my field Just you and me

We'll take a walk Nine hundred miles And I'm in love We'll count the stars

I'm in my field
I'm in my stream
Well I'm in love
Just you and me

I'm in my field
I'm in my stream
Well I'm in love
I'm in my tree

I take a walk
Nine hundred miles
I cross the stile
I'm in my field
