

Baby Hold On

Oceana

I'm yours and you're mine But I need a lot of space Space and time

I'm yours and you're mine But I need a lot of space Space and time

So Baby Hold On Baby Hold On

Baby Hold On

Baby Hold On Lalalalalalala...

So don't go and don't cry Cause I need you every day Every day and night

So don't go and don't cry Cause I need you every day Every day and night

So Baby Hold On

Baby Hold On

Baby Hold On

Baby Hold On

I know sometimes it's hard to get along But in my mind you always be the one

Baby Hold On Never let me go

Baby Hold On

Never ever let me go

I know sometimes it's hard to get along But in my mind you always be the one

You'll always be the one
