

Mindless Mindless

Oceana

I'm staring at the cracks
And all the lines
You wrote to get me home
It's not over yet
I'll speak the same
Until it breaks my jaw
And it breaks my heart
To see you this way

So I'll pray for the day
That new things will come
To wash these ones away

It's not over yet (3x)
It's not over at all

I'm stairing at the cracks
And all the lines
You wrote to get me home

So I'll pray for the day
That new things will come
To wash these ones away

There's something attractive
In a lack of direction
And you look so lost
And oh, you look so lost (2x)
And oh, you look so lost
And oh, you look so lost
