Oceana

This is the beginning of the end,
I'm always wrong, it's always me

Through broken ties fix me slowly
I will take your hand to show you the way
Delay and me: it's all I have to give you
So let me in, let me in
Let me in these walls

Guess what?
I'm wrapping it, I'm wrapping it around your neck
You won't feel a thing

And I'll sew your mouth shut then you'll shut up
I can see it in your eyes
It could have never been true
Oh, I see it in your eyes
I'll sew your mouth shut then you'll shut up
(I'll sew your mouth shut then you'll) shut up
Shut up

You're suffering ends tonight
I've heard this once before, I've heard this once before -- be
still
Just say your prayers one last time, tonight
And I'll sew your mouth shut then you'll shut it up
Shut up

Through broken ties fix me slowly
And I will take your hand to show you the way
Delay and me: it's all I have to give you
To give you
