Little bit lost and A little bit lonely Little bit cold here A little bit feared

But I hold on
And I
Feel strong
And I
Know that I can

Getting used to it
Lit the fuse to it
Like to know who I am

Been talking to myself forever, yeah And how I wish I knew me better, yeah Still sitting on a shelf and never Never seen the sun shine brighter And it feels like me
On a good day

And it feels like me On a good day

I'm a little bit hemmed in
A little bit isolated
A little bit hopeful
A little bit cold

But I hold on And I Feel strong And I Know that I can

Getting used to it Lit the fuse to it Like to know who I am

Been talking to myself forever, yeah And how I wish I knew me better, yeah Still sitting on a shelf and never Never seen the sun shine brighter

And it feels like me On a good day

Been talking to myself forever, yeah And how I wish I knew me better, yeah Still sitting on a shelf and never Never seen the sun shine brighter And it feels like me
On a good day
