

## Yes (means It's Hard To Say No)

Odds

Friends will agree  
With a pregnant pause  
And silently  
Draw out their claws  
It's hard to say no to your face  
Running away's as easy as running in place

Yes means it's hard to say no to you  
And that means I'll do things I don't want to

These are a few  
Of my dangerous things  
You'll have to cut me in two  
To count my rings  
It's hard to say no to your face  
Running away's as easy as running in place

Yes means it's hard to say no to you  
And that means I'll do things I don't want to

After writing down my darkest thoughts  
I should feel just fine  
Anyway, would you want to hear me whine?

All of the bad  
Is good in disguise  
Hear me; say okay  
But look in my eyes, look in my eyes

Yes means it's hard to say no to you  
And that means I'll do things I don't want to  
Yes means it's hard to say no to you  
And that means I'll do things I don't want to
