

I'm coming in hot  
I'm coming in fast  
Take my hand  
It's so damn hard  
I'll make this last

I'm the artist  
Paints in white  
Your skin canvas  
I'll leave you scratching, gasping, screaming  
Screaming

I was lost  
Until I found myself inside of you  
My friend, my love, my life  
My

Truth be told I would  
Set my whole world on fire  
Just to watch it burn in your eyes

Meet my dedication, inspiration  
It may be smothering you  
But you know it's the truth  
Meet my dedication, inspiration  
It may be smothering you  
But you know it's the truth

Set my world on fire  
It caught spark in your eyes  
And now I could see myself with no other baby  
I've had you so many times  
But you know I could never get enough of your love

I could never get enough  
I could never get enough of your love

Meet my dedication, inspiration  
It may be smothering you  
But you know it's the truth  
Meet my dedication, inspiration  
It may be smothering you  
But you know it's the truth

I'm still here  
This is faithfulness at its finest  
I'm still here  
This is faithfulness at its finest  
I'm still here  
This is faithfulness at its finest  
I'm still here  
This is faithfulness
