

On the Inside

Of Mice & Men

Throw away these hollow bones
Like water from a stone
I try to find the answers in the fractures

Underneath, underneath the surface
Underneath, underneath the surface
I believe, I believe there's a purpose

I hope you know we all suffer
Slipping under, but only on the inside
Our hidden fear, overtaking
We are breaking, but only on the inside
Can't you see that this is killing me?
But only on the inside

Hope is all we used to know
When reaping when we sow
I try to find the harvest in the famine

Underneath, underneath the surface
I believe, I believe there's a purpose

I hope you know we all suffer
Slipping under, but only on the inside
Our hidden fear, overtaking
We are breaking, but only on the inside
Can't you see that this is killing me?
But only on the inside

Only on the inside
Only on the inside

I hope you know we all suffer
Slipping under, but only on the inside
Our hidden fear, overtaking
We are breaking, but only on the inside
Can't you see that this is killing me?
Can't you see that this is killing me?
But only on the inside
