

# Relentless

## Of Mice & Men

Step into my world and you won't come back,  
See how long you last once you've met your match.  
Pound for pound I'm gonna set you straight,  
When the clock runs down it's make or break.

If you want it,  
You gotta take it,  
And I got it,  
So come and get it.

No I won't quit, get over it, you'll never win.  
I will survive, I am relentless.  
And I will fight to stay alive,  
Cause you know I,  
I will survive, I am relentless,  
I am relentless!

Don't step up unless you're ready to fall,  
You talk the talk but I walk the walk.  
Don't be caught cold with a sneak attack,  
I'm gonna bring the pain 'til you fade to black!

And if you want it,  
You gotta take it,  
And I got it,  
So come and get it.

No I won't quit, get over it, you'll never win.  
I will survive, I am relentless.  
And I will fight to stay alive,  
Cause you know I,  
I will survive, I am relentless,  
I am relentless!

Now you're down on the ground,  
And you're down for the count,  
And you might get up,  
But you'll never get out.  
You'll never get out, you'll never get out,  
You might get up,  
But you'll never get out.

And if you want it,  
You gotta take it,  
And I got it,  
So come and get it.

No I won't quit, get over it, you'll never win.  
I will survive, I am relentless.  
And I will fight to stay alive,  
Cause you know I,  
I will survive, I am relentless,  
I am relentless!
