

Sunflower

Of Mice & Men

Wait, you'll see it all around you
When you find the light that makes you bloom
Before your pride and petals start to fall around
I can't be the one to catch them when you're crashing down

Can you break away from it all?
Can you break away from it all
Before it drags you under?

Stay, you'll feel it all around you
When you find a way to make it through
Cross the line, don't find yourself in need of rescue
I can't be the one to catch you

Can you break away from it all?
Can you break away from it all
Before it drags you under?

Break and separate
Break and separate
Break and separate
Break and separate

Can you break away from it all?
Can you break away from it all? (Break and separate)
(Break and separate)
Can you break away from it all? (Break and separate)
