

# Unbreakable

## Of Mice & Men

There are weapons in the sound,  
And they echo all around.  
And you feel the bitter sting  
As you fall to the ground.  
Memories and plans forgone,  
Pave the way for fear to spawn,  
To find a vein to feast upon.  
Hoping I become undone.

And I'm not afraid,  
I'm not afraid,  
I'm not afraid!

I'm unbreakable!  
Can't defeat me, though I'm bleeding.  
Unbreakable!  
Though I'm bending, I'll never break.

Hey! Hey!  
I'll never break!  
Hey! Hey!

Throwing caution to the wind,  
Learning how to fight again.  
I carry on regardless  
Of the shape I'm in.  
Every torch and pitchfork thrown,  
Only makes the fire grow.  
When it engulfs you, you will know,  
That I will not be overthrown.

And I'm not afraid,  
I'm not afraid,  
I'm not afraid!

I'm unbreakable!  
Can't defeat me, though I'm bleeding.  
Unbreakable!  
Though I'm bending, I'll never break.

Hey! Hey!  
I'll never break!  
Hey! Hey!

Through the firestorm, I will remain,  
And you will know where you stand.  
Through the firestorm, I will remain,  
And you will know where you...  
Stand!  
Go!  
Through the firestorm, I will remain,  
And you will know where you stand,  
And you will know where you stand!

I'm not afraid, I'm not afraid, I'm not afraid,  
I'm not afraid, I'm not afraid, I'm not afraid,  
I'm not afraid,

I'm unbreakable!  
Can't defeat me, though I'm bleeding.  
Unbreakable!  
Though I'm bending, I'll never break.  
Unbreakable! (Unbreakable)  
Unbreakable! (Unbreakable)

I will remain!
