

When You Can't Sleep at Night

Of Mice & Men

Here in this world I'm awake with mistakes
But its love that keeps fueling me
Fueling me

Pretty little lady with the swollen eyes
Would you show them to me?
I know I'm not that perfect
But you stay awhile
Baby, then you will see

Miles away I can still feel you
Lay your head down on my embrace
My embrace
Far away

Pretty little lady with the swollen eyes
Would you show them to me?
I know I'm not that perfect
But you stay awhile
Baby, then you will see

Don't give up, baby
I know that its shaky
Just let love consume us
Consume us

Here in this world I'm awake with mistakes
But its love that keeps fueling me
Fueling me to love you

Miles away I can still feel you
Lay your head down on my embrace
Be not afraid to love me

Pretty little lady with the swollen eyes
Would you show them to me?
I know I'm not that perfect
But you stay awhile
Baby, then you will see
