

Won't be mistaken with the saints of youth
God's backed up again
I swear, when I scream
We're not home again

Run from your problems
But you cannot run from yourself
But you cannot run from yourself
You'll take this back

Broken I've lied
Pick up the pieces
You'll try to to live for yourself

How can you live for yourself?

Live how you wish, but live as if you'll die today
I won't stop until I can reach out and get this off my chest
A sense of direction to lead you home again

Mind your tongue
And save your breath for someone else
You won't believe me
We're not the same 'cause I dig
And I dig you too

Conformed in writing
I will fight for the sake of you

I will fight for this

Dream if you'll live forever
Dream for me

Broken down I've tried to pick up the pieces
You lied
You live for yourself
Yourself
