

Thousand Eyes

Of Monsters and Men

Undo this storm
Undo this storm
Undo this storm
And wait
I can't control
Withering wonders
Flowers that lose their shape

I lie awake
And watch it all
It feels like thousand eyes

I'll be the calm
I will be quiet
Stripped to the bone
I wait

No, I'll be a stone
I'll be the hunter
Tower that casts a shade

I lie awake
And watch it all
It feel like thousand eyes

I am the storm
I am the storm
I am the storm
So wait
