Ahhh...  
It's you that I love  
You're the only thing I love

Can you see  
That I'm drowning all alone  
And I'm [?]

I can't breath  
Stop suffocating me  
I feel so out of control  
You know that I'm dead  
To you

Ahhh...  
It's you that I love  
You're the only thing I love
