

## The Gay Parade Outro

of Montreal

Hello my name is Claude Robert  
And I'd like to thank you for spending time with the gay parade  
We hope you found it enjoyable  
And that we will see you again very soon  
Because we've grown quite fond of you  
And all agree that you make very pleasant company

If you ever feel that in your life  
The moments of gaiety  
are too few  
You can always come and visit us  
Now that you know the way  
And perhaps someday  
You'll be able to stay with us  
Forever inside the gay parade
