

## Touched Something's Hollow

of Montreal

Why am I so damaged, girl?  
Why am I such poison, girl?  
I don't know how long I can hold on  
If it's gonna be like this forever

Why am I so damaged?  
Why am I so troubled, girl?  
I don't know how long I can hold on  
If it's gonna be like this forever
