

Breathe

of Verona

Look into this mirror tell me
What do you see?
Beautiful can't begin to describe you
Or what you mean to me
Come a little closer to me
Let me see you spin
Want to get inside of your mind
I'll make you let me in

Open up your eyes
To the possibilities
Take it there love the fear
You'd be surprised
How good it feels
To just let go

And breathe, breathe with me
Breathe, breathe with me

Shadows fall onto our bodies
From a winter sun
Lace on lace in strawberry shades
As we both come undone

Open up your world
Show me the deepest secrets
I would I'd understand
Watching us burn
Into a million pieces
One touch of your hand

Breathe, breathe with me
Breathe, breathe with me

You can have me
Touch me slowly
Kiss me softly
Take me under
Whisper loudly
Push into me
Mark my body
Lose control now
Take me over
Take me over
Take me over
Take me over
Take me over
Take me over
Take me over
Breathe
Take me over
Breathe with me
Take me over
Breathe
Take me over
Breathe with me
