

## Dark In My Imagination

of Verona

There's something in the look you give  
I can't help myself I fall, I can't help myself at all  
There's something in your touch when we kiss  
I scream god forgive me please because I want you on your knees  
But I don't wanna think of about it now  
I know I won't get out if I fall in  
So I don't want to think about it now  
It's dark in my imagination, it's dark in my imagination

There's something in the look you give  
Now are you giving it to her cause I'm not entirely sure  
Can't help but wonder where you've been all day  
Just say when I'm so far away  
That you give yourself a taste  
Cause I don't want to think about it now  
I know I won't get out if I fall in  
So I don't want to think about it now

It's dark in my imagination, it's dark in my imagination  
dark in my imagination, dark in my imagination  
I don't want to think about it now  
Is it all in my head? Are you somewhere waiting for me?  
I don't want to think about it now  
Is there something unsaid? Are there secrets that you keep?  
But I don't want to think about it now x3  
It's dark in my imagination x 11  
I don't want to think about it now x 11  
IT'S DARK IN MY IMAGINATION
