

Who Do You Love

of Verona

I don't know what you're thinking
And you don't know me the way that I was before
We seem to fall inside illusions
You want the truth, then its not what u want anymore

We need something to believe in
Oh oh oh
And I'm just looking for a reason
So tell me...

Who do you love
Who do you love
Who do you love now?
Is it enough
Is it enough
For you to let go?
Do you believe in your eyes?
Believe in your eyes.

So the mirage is getting stronger
What you believe is the truth as you know, as you know
It doesn't matter what I tell you
Cause you'll still think what you want anyhow

We need something to believe in
Oh oh oh
And I'm just looking for a reason
So tell me...

Who do you love
Who do you love
Who do you love now?
Is it enough
Is it enough
For you to let go?
Do you believe in your eyes?
Believe in your eyes.

Do you believe in your eyes
Or did they say who to like?
Do you believe in your ears
Or did they say what to hear?

We need something to believe in
Oh oh oh
And I'm just looking for a reason
So tell me...

Who do you love
Who do you love
Who do you love now?
Is it enough
Is it enough
For you to let go?
Do you believe in your eyes?
Believe in your eyes.

Do you believe in your eyes
Or did they say who to like?
Do you Believe in your ears
Or did they say what to hear?
