

# Who Do You Love

of Verona

I don't know what you're thinking  
And you don't know me the way that I was before  
We seem to fall inside illusions  
You want the truth, then its not what u want anymore

We need something to believe in  
Oh oh oh  
And I'm just looking for a reason  
So tell me...

Who do you love  
Who do you love  
Who do you love now?  
Is it enough  
Is it enough  
For you to let go?  
Do you believe in your eyes?  
Believe in your eyes.

So the mirage is getting stronger  
What you believe is the truth as you know, as you know  
It doesn't matter what I tell you  
Cause you'll still think what you want anyhow

We need something to believe in  
Oh oh oh  
And I'm just looking for a reason  
So tell me...

Who do you love  
Who do you love  
Who do you love now?  
Is it enough  
Is it enough  
For you to let go?  
Do you believe in your eyes?  
Believe in your eyes.

Do you believe in your eyes  
Or did they say who to like?  
Do you believe in your ears  
Or did they say what to hear?

We need something to believe in  
Oh oh oh  
And I'm just looking for a reason  
So tell me...

Who do you love  
Who do you love  
Who do you love now?  
Is it enough  
Is it enough  
For you to let go?  
Do you believe in your eyes?  
Believe in your eyes.

Do you believe in your eyes  
Or did they say who to like?  
Do you Believe in your ears  
Or did they say what to hear?
