Be My Boyfriend

Nissim, Offer

Your eyes are breaking walls Towards my direction I feel the wind blows I'm standing here it's cold I want you to hold You have no clue How much I want you No idea how much I need you here I want you to hold

So what you wanna do do Boy I want you to to Be my boyfriend You're messing with my head head Boy I want you bad bad Be my boyfriend

I'm so lost without you Baby what would I do Everywhere I want to go over I see you I'm so lost without you Baby what would I do Everywhere I want to go over I see you
