Nissim, Offer

You were the light  
All through the night  
Now there is only sadness leading in my life  
You where the light

I lost my way a long time baby  
Searching for you  
Searching for you  
I lost my way a long time baby  
Searching for you  
Searching for  
You don't know  
You don't know

You were the light  
All through the night  
Now there is only sadness leading in my life  
You where the light

Lost my way
