

Why

Nissim, Offer

Don't run away when I talk to you
It's all I'm gonna do
There are some things I've been going through
I am to blame just as much as you
I can't go any farther
Struggling through a stormy weather
And I've had it all together
Why should I play this game

Why
Why

Why

Time doesn't matter
When you don't love me don't hold me
It won't get better
I know it's over it's over

Time doesn't matter
When you don't love me don't hold me
It won't get better
I know it's over it's over

I'm still in love with you
And all I gotta do
Is to be with you
But I know there is still a long way to go
