

# Denial, Revisited

Offspring

So here we go  
Having the same old fight again  
There she goes  
Same old game that never ends If I could say  
The right words  
I know I could make you stay  
If I could say  
The right words  
Things would work out all right

And if you go  
I won't believe  
That it's forever

And you can go  
But I'll never leave  
Cause it's not over

Replay last night  
Talking it out don't make it right  
I know she's tried, but my whole world  
Is her and all we've got now

And if you go  
I won't believe  
That it's forever

I won't let go  
Even if she say that it's over  
I know it'll be  
Different this time  
If you'd just stay

And when we wrote this story  
How did it end?  
It was you and me for all our lives  
Come on, don't say it  
We'll try again  
And if I'd just hold you  
We could last

But she stands softly  
Tears down her face  
Hitting me, oh god  
This is the end  
I'd wait here for you  
But there's nothing more now I can do  
How did you know  
How did you know  
How did you know
