

1. Head over heals I've fit in before
Now I don't want to do it no more
Held it all in with blood on my face
Built it up man so bad you can taste

I don't slag one, I don't even judge
Don't give a shit cause I'm not gonna budge
Just want to be who I wanna be
Guess that's hard for others to seeeee

R: I'm not a trendy asshole
I do what I want, do what I feel like
I'm not a trendy asshole
Don't give a fu*k, if it's good enough for you, cause I'm alive

2. Smash is the way you feel all alone
Like an outcast you're out on your own
Smash is the way you deal with your life
Like an outcast you're smashing your strife

Head over heals I've fit in before
Now I don't want to do it no more
Just want to be who I wanna be
Guess that's hard for others to seeeee

R: I'm not a trendy asshole...
