

Want You Bad

Offspring

If you could only read my mind
You would know the things between us, ain't right
I know your arms are open wide
But you're a little on the strange side, I can't lie

Your one advice
Is you're too nice
Come Around now
Can't you see

I want you
All tatooed
I want you bad
Complete me
Mistreat me
I want you to be bad, bad, bad, bad, bad

If you could only read my mind
You would know that I feel waited, so long
Someone almost just like you
But with attitude, I've waited
So come on

Get out at close time
Pull out those highlights
Come around now can you see

I want you
In a final soon
I want you bad
Complicated
X Rated
I want you bad, bad, bad, bad, bad

Don't get me wrong
I know your only being good
But if that's what's wrong
I guess I just misunderstood

I want you
All tatooed
I want you bad
Complicated
X Rated
I want you bad
I mean it
I need it
I want you bad, bad, bad, bad, bad
Bad, really, really bad
