

Don't Forsake Me

Ofra Haza

SAR HAMAMUNAH, SAR HAMAMUNAH
GINAT AGOZ GUM PATAH NAH
GINAT AGOZ GUM PATAH NAH
LIK RAT YADIDI UMAHERAH

Don't cast me away
When I start to fade
When my mind's unmade
Don't forsake me
When my strength has ebbed
Don't forsake me.

I know the day will come,
I know the day will come
And all my life will be haze and spark
Don't ever leave me in the dark.

Don't cast me away
When I start to fade
When my mind's unmade
Don't forsake me
When my strength has ebbed
Don't forsake me.
Oh, Oh, Oh,
Don't cast me away
