

No Time to Hate

Ofra Haza

NO TIME TO HATE
Can't you see in this time of fear
People are hiding their tears
In this time we need someone to hear
Someone to feel
I hope you see
The same as I see
I hope you see
Like I do
I hope you see
As far as I see
I hope you see
Like I do
As you know - wild is the wind
So wild is all of our life
No time to hate - only to love
Please hold me tight
