

One Day

Ofra Haza

One Day
This is a tragic past love
I've been there once before
This is a tragic past love
Which is haunting me more and more...

HEYAH HEYAH HEYAH HEYAH
DA'ET YAMAL YAMAL
MA GAWAB NI LA MALI
One day, one day
You cast a spell on me once again
Again and again...
HEYAH HEYAH HEYAH HEYAH
Fear was in your eyes
We had more than love
I was in your life
You couldn't change your mind
Oh... we had more than love
One day, one day
I want to see you
One day... one day...
