## **One Day**

One Day This is a tragic past love I've been there once before This is a tragic past love Which is haunting me more and more... НЕУАН НЕУАН НЕУАН НЕУАН DA'ET YAMAL YAMAL MA GAWAB NI LA MALI One day, one day You cast a spell on me once again Again and again... НЕУАН НЕУАН НЕУАН НЕУАН Fear was in your eyes We had more than love I was in your life You couldn't change your mind Oh... we had more than love One day, one day I want to see you One day... one day...
