

## You've Got a Friend

Ofra Haza

YOU'VE GOT A FRIEND  
When you're down and troubled  
And you need some loving care  
And nothing, nothing is going right  
Close your eyes and think of me  
And soon I will be there  
To bright up even your darkest night  
Just call out my name  
And you know wherever I am  
I'll come running to see you again  
Winter, spring, summer or fall  
All you have to do is call  
And I'll be there  
You've got a friend  
If the sky above you  
Grows dark and full of clouds  
And that old north wind  
Begins to blow  
Keep your head together  
And call my name out loud  
So you'll hear me  
Knocking at your door  
You just call out my name  
And you know wherever I am  
I'll come running to see you again  
Winter, spring, summer or fall  
All you have to do is call  
And I'll be there  
Yes, I will  
Now Ain't it good to know  
That you've got a friend  
When people can be so cold  
They'll hurt and desert you  
And take your soul if you let them  
Oh, but don't you let them  
You just call out my name  
And you know wherever I am  
I'll come running to see you again  
Winter, spring, summer or fall  
All you have to do is call  
And I'll be there  
You've got a friend
