3 Chances

Do two hearts get three chances? First time you took me in Then turned around and left it But if kittens all got 9 lives and zombies resurrected Then how can I have one more try to get our love corrected?

Do two hearts get three chances? I said I was over you when you came back for seconds But you believed my acting skills and now I just regret it So how can I have one more try get us reconnected?

Do two hearts get three chances? Now you're here in front of me and the future's open ended If kittens all got 9 lives and zombies resurrected Then could it be with you and me This pattern's never ending

If kittens all got 9 lives and zombies resurrected Then could it be with you and me This pattern's never ending
