

Release Me

Oh Land

There's only
Powder in here
Bones are only parchment paper
Pills are just for easy trading
And the legs won't walk
'Cause the legs won't walk

The girl's got power
And the boy's got stamina;
And I don't know what side to choose
Choices don't care
To be chosen;
'Cause the legs won't walk
'Cause water is boiling hot

There is only
Powder in here
Bones are only parchment paper
Pills are just for easy trading
And the legs won't walk
'Cause the legs won't walk

Release me...
