

## Oh Be One

Oh No Oh My

Yes you are my only hope; Oh, be one!  
You're my only hope  
Yes you are my only one; Oh, be one!  
You're my only hope

His golden mane is gone, is gone  
So now he'll na'er be forgiven  
He left his pride along with his hair in 1987

Yes you are my only hope; Oh, be one!  
You're my only hope  
Yes you are my only one; Oh, be one!  
You're my only hope
