

Animal resistance to the pistons of the engines in this
lie
Motors running backwards through these antiquated living
motor eyes
Shadowed distance overflows the entrance to your tired
holes and eats inside the extra time into the earliest of
crime...
Cancelling resistance, herding humans sense indifference
all allied
Extra muscle tatters chewing angels, matted matter
override
Tables for the mating rapes the filling meats for difeent
hate
The simple trial and error mode to execute your inner
TROLL
Make it up to miss the point
What is this the role of choice
Waiting on the line forgot in a book told by Godot....
