

Mouth of depleted is nothing caught  
The trap concealed in a restless plot  
Read fix equation no artificial sum  
Minus addition is nothing

Pain contact backward pain  
Pain contact backward pain

Acting perception shaping thought undone  
Learned taught behavior a brainwashed hum  
Sucking the savior suck the bottle fed gone  
Minus addition is nothing

Pain contact backward pain  
Pain contact backward pain

Pain contact backward pain  
Pain contact backward pain

Street smart defeated caught knife in back  
Childproof eviction trained falling through cracks  
Duel with conviction who fought won lost  
Minus addition is nothing

Pain contact backward pain  
Pain contact backward pain
